Dear Supervisors:

# ADOPTED

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

46 February 9, 2016

  
PATRICK OZAWA  
ACTING EXECUTIVE OFFICER

### **ISSUANCE AND SALE OF LOS ANGELES UNIFIED SCHOOL DISTRICT GENERAL OBLIGATION BONDS, ELECTION OF 2004 (MEASURE R), ELECTION OF 2005 (MEASURE Y), AND ELECTION OF 2008 (MEASURE Q) (ALL DISTRICTS) (3 VOTES)**

#### **SUBJECT**

The governing board of the Los Angeles Unified School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$900,000,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance capital improvements to various school facilities. Repayment of the bonds will be funded from the proceeds of ad valorem taxes levied on all taxable property within the District.

#### **IT IS RECOMMENDED THAT THE BOARD:**

Adopt the resolution authorizing the issuance and sale of the Los Angeles Unified School District (Los Angeles County, California) General Obligation Bonds, Election of 2004 (Measure R), Election of 2005 (Measure Y), and Election of 2008 (Measure Q) in an aggregate principal amount not to exceed \$900,000,000.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On March 2, 2004, November 8, 2005 and November 4, 2008, voters residing in the District approved ballot measures authorizing the District to issue up to \$3.87 billion (Measure R), \$3.985 billion (Measure Y), and \$7.00 billion (Measure Q), respectively, in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on November 10, 2015 (the "District Resolution") authorizing the issuance of general obligation bonds in a maximum principal amount not to exceed \$159,990,000 for Measure R, \$382,150,000 for Measure

Y, and \$850,000,000 for Measure Q. The combined principal amount of bonds issued pursuant to the District Resolution for Measures R, Y, and Q shall not exceed \$900,000,000.

Pursuant to Section 15100 et seq. of the California Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. The bonds are to be issued in the name of, and on behalf of the District by the County following receipt of the District Resolution requesting such borrowing.

### **Implementation of Strategic Plan Goals**

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness/Fiscal Sustainability through collaborative actions with other governmental jurisdictions to provide investment in public school infrastructure within the County.

### **FISCAL IMPACT/FINANCING**

There will be no fiscal impact to the County budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The resolution provides for the issuance of bonds at an interest rate not to exceed eight percent (8.00%) annually. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the authorizing ballot measures. The term of the bonds will not exceed twenty-five (25) years. The bonds will be sold through a negotiated offering with participation by the Treasurer and Tax Collector in the pricing of the bonds. The District has selected Citigroup and Wells Fargo as the senior managing underwriters, and the firm of Hawkins Delafield & Wood LLP as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as the paying agent for the bonds.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

### **CONCLUSION**

Upon approval of this Resolution, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted Resolution to the Treasurer and Tax Collector (Office of Public Finance).

(xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(d) Effect of Notice. A certificate of the Paying Agent or the District that notice of call and redemption has been given to Owners as herein provided shall be conclusive as against all parties. The actual receipt by the Owner of any Bond of notice of redemption shall not be a condition precedent to redemption, and failure to receive such notice, or any defect in the notice given, shall not affect the validity of the proceedings for the redemption of such Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (e) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the redemption premium thereon, if any, only to the Interest and Sinking Fund or the escrow fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

Any notice of optional redemption of the Bonds delivered in accordance with this Section 9 may be conditional and if any condition stated in the notice of redemption shall not have been satisfied on or prior to the redemption date, said notice (i) shall be of no force and effect, (ii) the District shall not be required to redeem such Bonds; (iii) the redemption shall not be made and (iv) the Paying Agent shall within a reasonable time thereafter give notice to the persons and in the manner in which the conditional notice of redemption was given, that such condition or conditions were not met and that the redemption was cancelled.

The District may rescind any optional redemption and notice thereof for any reason on any date prior to or on the date fixed for redemption by causing written notice of the rescission to be given to the Owners of the Bonds so called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the Owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(e) Redemption Fund. Prior to or on the redemption date of any Bonds there shall be available in the escrow fund held in trust for such purpose as provided by law, monies for the

purpose and sufficient to redeem, at the premiums payable as set forth in the related Bond Purchase Agreement, the Bonds designated in any notice of redemption. Such monies so set aside in any such escrow fund shall be applied on or after the redemption date solely for payment of principal of and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the escrow fund shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the Interest and Sinking Fund, unless otherwise provided for to be paid from such escrow. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the Interest and Sinking Fund or otherwise held in trust for the payment of the redemption price of the Bonds, those monies shall be held in or returned or transferred to the Interest and Sinking Fund for payment of any outstanding bonds of the District payable from that fund; provided, however, that if those monies are part of the proceeds of bonds of the District, the monies shall be transferred to the applicable Interest and Sinking Fund. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(f) Defeasance of Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all outstanding Bonds all of the principal, interest and premium, if any, represented by such Bonds at the times and in the manner provided herein and in the Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Bonds, but only out of monies on deposit in the escrow fund held in trust for such payment; and provided further, however, that the provisions of subsection (g) hereof shall apply in all events.

All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(i) by irrevocably depositing with the Paying Agent an amount of cash that, together with amounts then on deposit in the applicable Interest and Sinking Fund, is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal of, premium, if any, and interest; or

(ii) by irrevocably depositing with the Paying Agent Defeasance Securities, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and monies then on deposit in the applicable Interest and Sinking Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal, prepayment premiums, if any, and interest thereon) at or before their maturity date.

In the event that Bonds are being defeased pursuant to paragraph (ii) of subsection (f) of this Section, the appointment of the independent certified public accountant referred to therein

and any escrow agent selected in connection with said defeasance shall both be subject to County approval.

(g) Unclaimed Monies. Any money held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the principal of, premium, if any, or interest on the Bonds and remaining unclaimed for one year after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the Interest and Sinking Fund for payment of any outstanding bonds of the District payable from that fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

#### **SECTION 10. Paying Agent and Disbursement Agent.**

(a) Appointment; Payment of Fees and Expenses. This Board of Supervisors hereby consents to and confirms the appointment of the County Treasurer to act as initial Paying Agent for the Bonds under this Resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Interest and Sinking Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code and insofar as money in the Interest and Sinking Fund is insufficient therefor, such fees and expenses shall be paid by the District.

(b) Resignation, Removal and Replacement of Paying Agent. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed as provided in the Paying Agent's service agreement with the District and the County; provided that any successor shall be appointed with the consent of the County. Without further action by the District, if at any time the Paying Agent shall resign or be removed and no successor appointed by the District, the County Treasurer shall appoint a successor Paying Agent without further action by the District, which shall be a bank or trust company doing business in and having a corporate trust office in the County of Los Angeles, California, with at least \$100,000,000 in net assets.

(c) Registration Books. The Paying Agent will keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the books, Bonds as provided in Section 12 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

(d) Disbursement Agent. For any period of time in which the County Treasurer is not acting in the capacity of Paying Agent, the County Treasurer shall serve as disbursement agent hereunder and shall transfer monies from the Interest and Sinking Fund to the Paying Agent in order to make payments of principal of and interest on the Bonds.

**SECTION 11. Transfer Under Book-Entry System; Discontinuation of Book-Entry System.**

(a) Notwithstanding anything to the contrary contained in this Resolution, all payments with respect to the principal of, premium, if any, and interest on any Bond registered as of each Record Date in the name of Cede & Co. shall be made by wire transfer of same-day funds to the account of Cede & Co. on the payment date for the Bonds at the address indicated on the Record Date for Cede & Co. in the Registration Books or as otherwise provided in the Letter of Representations.

In connection with any notice or other communication to be provided to Owners of Book-Entry Bonds pursuant to this Resolution by the District or the Paying Agent with respect to any consent or other action to be taken by Owners, the District or the Paying Agent, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

Except as may be otherwise provided by the related Bond Purchase Agreement, the Bonds shall be initially issued in the form of separate single fully registered Bonds in the amount of each separate stated maturity of each series and subseries of Bonds; provided, however, that if different CUSIP numbers are assigned to a Bond of a subseries or type of Bond within a subseries maturing in a single year or, if Bonds of a subseries or type of Bond maturing in a single year are issued with different interest rates, additional Bond certificates shall be prepared for each maturity. Unless otherwise provided in the related Bond Purchase Agreement, upon initial issuance, the ownership of such Bonds shall be registered in the Registration Books in the name of Cede & Co., as nominee of DTC. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive Owner of the Bonds registered in its name for the purposes of payment of the principal of, premium, if any, and interest, if any, on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Owners of Bonds under this Resolution, registering the transfer of Bonds, obtaining any consent or other action to be taken by Owners of Bonds if any, and for all other purposes whatsoever, and the Paying Agent, the County and the District shall not be affected by any notice to the contrary. The Paying Agent, the County and the District shall not have any responsibility or obligation to any participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any participant, or any other person which is not shown on the Registration Books as being an Owner, with respect to the accuracy of any records maintained by DTC or any participant; the payment by DTC or any participant of any amount in respect of the principal of, premium, if any, and interest on the Bonds; any notice which is permitted or required to be given to Owners of Bonds under this Resolution; the selection by DTC or any participant of any person to receive payment in the event of a partial redemption of the Bonds; or any consent given or other action taken by DTC as Owner of Bonds. The Paying Agent shall pay all principal of, premium, if any, and interest on the Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Except under the conditions set forth under Section 12 hereof, no person other than DTC shall receive an executed Bond for each separate stated maturity of each series and subseries of Bonds, if any, or, as provided herein, portion thereof. Upon delivery by DTC to the Paying Agent of written notice

to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to record dates, the term “Cede & Co.” in this Resolution shall refer to such new nominee of DTC.

(b) The Bonds shall be initially issued and registered as provided in Section 6. Registered ownership of such Bonds, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of Cede & Co., as nominee of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this section (a “substitute depository”); provided, that any successor of Cede & Co., as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(c) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (b) of this section, upon receipt of the outstanding Bonds by the Paying Agent, together with a written request of the District or County to the Paying Agent, a new Bond for each Bond so delivered shall be executed and delivered in the aggregate principal amount of such Bond, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District or County. In the case of any transfer pursuant to clause (iii) of subsection (b) of this section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District or County to the Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District or County, subject to the limitations of Section 6 and the receipt of such a written request of the District or County, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 12 of this Resolution; provided, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days after the receipt of any such written request of the District or County.

(d) The County, the District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the County, the District or the Paying Agent; and the County, the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds, and neither the County, the District or the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Bonds.

(e) So long as the outstanding Bonds are registered in the name of Cede & Co. or its registered assigns, the District, the County and the Paying Agent shall cooperate with Cede & Co., as sole Owner, or its registered assigns in effecting payment of the principal of and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available (*e.g.*, by wire transfer) on the date they are due.

## **SECTION 12. Transfer and Exchange.**

(a) Transfer. Following the termination or removal of the depository pursuant to Section 11 hereof, any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 10(c) hereof, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Bond or Bonds shall be surrendered for transfer, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 6, a new Bond or Bonds of the same series, subseries, maturity, interest payment dates and interest rates for a like aggregate principal amount. The Paying Agent may require the payment by any Owner of Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

The Paying Agent shall not be obligated to make any transfer or exchange of any Bond pursuant to this Section during the period from (1) the close of business on the applicable Record Date to and including the succeeding Interest Payment Date, or (2) the period established by the Paying Agent for the selection of Bonds for redemption, in whole or in part, to and including the designated redemption date or with respect to any Bonds selected for redemption as set forth in the related Bond Purchase Agreement.

(b) Exchange. The Bonds may be exchanged for Bonds of other authorized denominations of the same series, subseries, term, maturity and interest payment dates and interest rates, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Bond or Bonds shall be surrendered for exchange, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 6, a new Bond or Bonds of the same series, subseries, term, maturity, interest payment

date and interest rates for a like aggregate principal amount. The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Bonds shall be required to be made by the Paying Agent during the period from (1) the close of business on the applicable Record Date to and including the succeeding interest date, or (2) the close of business on the date on which notice is given that such Bond has been selected for redemption in whole or in part, to and including the designated redemption date.

### **SECTION 13. Limitation on Transfer.**

(a) Notwithstanding anything herein to the contrary, if a sale of a series of Bonds is to one or more Direct Purchasers, ownership of a Bond of such series may be transferred (i) only to a Person that is either (A) a Qualified Institutional Buyer that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond, or (B) an Institutional Accredited Investor that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond, and (ii) only if such Qualified Institutional Buyer or Institutional Accredited Investor delivers to the District and the Paying Agent a completed and duly executed Investor Letter substantially in the form attached hereto as Exhibit D. The District and the Paying Agent may rely conclusively upon the information contained in any Investor Letter.

(b) No Owner of a Bond of such a series shall transfer such Bond to any Person that such Owner does not reasonably believe is either (i) a Qualified Institutional Buyer that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond, or (ii) an Institutional Accredited Investor that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond. Any Owner effecting a transfer of such a Bond shall, and does hereby agree to, indemnify the District and the Paying Agent against any liability that may result if such transfer is not made in accordance with this Section. The transferor of ownership of such a Bond agrees to provide notice to any proposed transferee of such Bond of the restrictions on transfer described herein.

(c) Each Person to whom ownership of such a Bond is transferred pursuant hereto shall be deemed by the acceptance of such ownership to have agreed to be bound by the provisions of this Section.

(d) The Bonds of such a series shall bear a legend describing or referencing the restrictions on transferability set forth in subsections (a) and (b) of this Section, as follows:

THIS BOND IS SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND MAY ONLY BE TRANSFERRED IN ACCORDANCE WITH THE PROVISIONS OF SECTION 13 OF THE RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES. NO TRANSFER, SALE OR OTHER DISPOSITION OF THIS BOND MAY BE MADE EXCEPT

TO A PERSON THAT IS A QUALIFIED INSTITUTIONAL BUYER OR AN INSTITUTIONAL ACCREDITED INVESTOR.

**SECTION 14. Security for the Bonds.** The money for the payment of principal, premium, if any, and interest with respect to the Bonds of each Measure shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the applicable Interest and Sinking Fund, and the Board of Supervisors of the County hereby covenants to levy *ad valorem* taxes for the payment of the Bonds of each Measure on all property in the District subject to taxation by the District without limitation as to rate or amount (except certain personal property which is taxable at limited rates). The tax levied for each Measure is levied specifically for the purpose of paying each Series of Bonds issued to finance the projects specified in such Measure and for no other purpose.

In accordance with Section 15251 of the Education Code, each Series of Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the applicable Measure. The lien shall automatically attach without further action or authorization by the District or the County. The lien shall be valid and binding from the time such Series of Bonds are executed and delivered. The revenues received pursuant to the levy and collection of the tax shall be immediately subject to the lien, and the lien shall automatically attach to the revenues and be effective, binding, and enforceable against the District, its successors, transferees, and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

Pursuant to the District Resolution, the District pledges all revenues from the property taxes collected from the levy by the Board of Supervisors and amounts on deposit in the Interest and Sinking Fund of the District for the payment of each Series of Bonds for each respective Measure and all previously issued and outstanding general obligation bonds and general obligation refunding bonds of the District, including those issued pursuant to authorizations approved by voters of the District on April 8, 1997, November 5, 2002, March 2, 2004, November 8, 2005 and November 4, 2008. The District Resolution provides that this pledge is valid and binding from the date thereof for the benefit of the owners of such Series of Bonds and each issue of outstanding general obligation bonds and general obligation refunding bonds and successors thereto. The District Resolution provides that the property taxes and amounts held in each Interest and Sinking Fund of the District are immediately subject to this pledge, and the pledge constitutes a lien and security interest which shall immediately attach to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of the respective Series of Bonds and each issue of outstanding general obligation bonds and general obligation refunding bonds and, pursuant to the District Resolution, is effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. Pursuant to the District Resolution, this pledge is an agreement between the District and the owners of each Series of Bonds and each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for the related issue of general obligation bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds and general obligation refunding bonds of

the District are or were issued to finance one or more of the projects specified in the applicable bond measure and not to finance the general purposes of the District.

**SECTION 15. Sale of Bonds; Bond Purchase Agreement.** The Bonds shall be sold by a negotiated sale pursuant to the Bond Purchase Agreement. The form of Bond Purchase Agreement, attached hereto as Exhibit B, is hereby approved. The County Treasurer is hereby authorized, for and in the name of the County, to execute and deliver one or more Bond Purchase Agreements in the form presented to this meeting, with such changes, insertions and omissions as the County Treasurer executing the same may require or approve, including such changes, insertions and omissions as are necessary to reflect that a sale of a series of Bonds is to one or more Direct Purchasers rather than to one or more Underwriters, such requirement or approval to be conclusively evidenced by the execution of the applicable Bond Purchase Agreement by the County Treasurer; provided that the terms of the applicable series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. In connection with each negotiated sale of a series of Bonds to one or more Underwriters or one or more Direct Purchasers, such Underwriters of such Bonds or one or more Placement Agents for such Bonds, as applicable, shall be selected in accordance with the District's Debt Management Policy. The Chief Financial Officer shall designate in accordance with the District's Debt Management Policy which Underwriters shall act as senior manager(s), co-senior manager(s) and co-manager(s) in connection with each negotiated sale of Bonds and the Placement Agent in connection with each sale of Bonds to one or more Direct Purchasers.

**SECTION 16. Placement Agent Agreement.** The form of Placement Agent Agreement, attached hereto as Exhibit C, is hereby approved. The County Treasurer is hereby authorized and directed, for and in the name of the County, to execute and deliver one or more Placement Agent Agreements in the form presented to this meeting, with such changes, insertions and omissions as the County Treasurer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Placement Agent Agreement by the County Treasurer; provided that the terms of the applicable series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution.

**SECTION 17. Deposit and Investment of Proceeds.**

(a) The proceeds of sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District (the "Building Fund"). The District shall have sole responsibility that such proceeds be used for the purpose for which the Bonds are being issued. Any premium and accrued interest received shall be deposited upon receipt by the District in the applicable Interest and Sinking Fund of the District within the County treasury.

(b) All funds held by the County Treasurer hereunder on behalf of the District shall be invested by the County Treasurer or its agent in the County Investment Pool, the Local Agency Investment Fund, any investment authorized pursuant to Sections 53601 and 53635 of the State Government Code, or in any Investment Agreement; provided that such agreements comply with the requirements of Section 148 of the Code, to the extent applicable to the related

series or subseries of Bonds, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds.

Subject to a determination by the Chief Financial Officer, any Authorized District Officer may request the County Treasurer to invest funds held in an Interest and Sinking Fund of the District and in the Building Fund of the District in specific Investment Agreements. Pursuant to Section 5922 of the Government Code, the Board of Education has found and determined that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds. Subject to a determination by the Chief Financial Officer, any Authorized Officer may request the County Treasurer to deposit any investment of all or any portion of the Building Fund or the Interest and Sinking Fund of the District pursuant to California Education Code Section 41015 in accordance with the instructions of the Authorized District Officer and California Education Code Section 41016.

(c) Any excess proceeds of the Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the applicable Interest and Sinking Fund and applied to the payment of principal of, premium, if any, and interest on the Bonds; provided, however, that when all of the principal and interest on all of the Bonds have been paid, any balance then remaining in said fund shall be transferred to the general fund of the District as permitted and provided for in Section 15234 of the Education Code.

**SECTION 18. Tax Covenant.** The County acknowledges and relies upon the fact that the District has represented and covenanted that it shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Tax-Exempt Bonds under Section 103 of the Code, and that it will comply with the requirements of each Tax Certificate of the District with respect to a series of the Bonds comprising Tax-Exempt Bonds, and further that such representation and covenant shall survive payment in full or defeasance of the Tax-Exempt Bonds.

**SECTION 19. Limited Responsibility for Official Statement.** Neither the Board of Supervisors nor any officer of the County has prepared or reviewed or will prepare or review the Official Statement of the District describing the Bonds, and this Board of Supervisors and the various officers of the County take no responsibility for the contents or distribution thereof; provided, however, that solely with respect to a section contained or to be contained therein describing the County's current portfolio holdings, and valuation procedures, as they may relate to funds of the District, the County Treasurer is hereby authorized and directed to prepare and review such information for inclusion in the Official Statement and in the preliminary Official Statement, and to certify to the District prior to or upon the issuance of each series of the Bonds that the information contained in such section does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading.

**SECTION 20. Approval of Actions.** The Chairman, the Clerk, the County Auditor-Controller, the County Counsel, and the County Treasurer and the deputies and designees of any of them, are hereby authorized and directed to execute and deliver any and all certificates, representations and agreements, as may be acceptable to County Counsel, including signature certificates, no-litigation certificates, and other certificates proposed to be distributed in connection with each sale of Bonds, necessary and desirable to accomplish the transactions authorized herein.

**SECTION 21. Severability.** In the event any provision of this Resolution shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

**SECTION 22. Effective Date.** This resolution shall take effect from and after its adoption.

The foregoing resolution was adopted on the 9<sup>th</sup> day of February, 2016, by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies and authorities for which the Board so acts.

Ladies and Gentlemen:

The undersigned, Citigroup Global Markets Inc., on its own behalf and as representative (the “**Representative**”) of the Underwriters identified on the signature page hereof (collectively, the “**Underwriters**”), hereby offers to enter into this Bond Purchase Agreement (the “**Purchase Agreement**”) with the County of Los Angeles, California (the “**County**”) and the Los Angeles Unified School District (the “**District**”), which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriters. By execution of this Purchase Agreement, the County acknowledges the terms hereof and recognizes that it will be bound by certain of the provisions hereof, and to the extent binding on the County, acknowledges and agrees to such terms. This offer is made subject to the written acceptance of this Purchase Agreement by the County and the District and delivery of such acceptance to us at or prior to 11:59 PM, California Time, on the date hereof.

1. **Purchase and Sale of the Bonds.**

A. Upon the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriters hereby agree to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriters for such purpose, all (but not less than all) of the District's \$\_\_\_\_\_ aggregate principal amount of General Obligation Bonds, Series QRY (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) (the "**Series QRY Bonds**"), and \$\_\_\_\_\_ principal amount of 2016 General Obligation Refunding Bonds, Series A (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) (the "**Refunding Bonds**" and, together with the Series QRY Bonds, the "**Bonds**"). The Bonds shall be issued in the form of current interest bonds in such principal amounts as set forth in Exhibit A hereto and shall be issued in fully registered form in the authorized denominations of \$5,000 or any integral multiple thereof. The Bonds shall bear interest payable from the date thereof and such interest shall be payable on each \_\_\_\_\_ 1 and \_\_\_\_\_ 1, commencing \_\_\_\_\_ 1, 201\_\_.

B. The Underwriters shall purchase the Bonds at a price of \$\_\_\_\_\_ (the "**Purchase Price**") (which represents the aggregate principal amount of the Bonds, plus an original issue premium of \$\_\_\_\_\_, and less Underwriters' discount in the amount of \$\_\_\_\_\_). From the Purchase Price for the Bonds, the Underwriters shall withhold and hereby agree to wire on the Closing Date (as defined below) \$\_\_\_\_\_ in immediately available funds to U.S. Bank National Association, as costs administrator, to pay the costs of issuance of the Bonds as provided in Section 15 of this Purchase Agreement.

C. Any authority, discretion, or other power conferred upon the Underwriters by this Purchase Agreement shall be exercised by the Representative alone.

2. **The Bonds.**

A. The Bonds shall be dated their date of delivery, shall bear interest at the rates, shall mature in the years and amounts and shall have the redemption provisions as set forth in Exhibit A hereto. The Bonds shall otherwise be as described in, and shall be issued and secured pursuant to the provisions of (i) Section 1(b)(3) of Article XIII A of the California Constitution, Chapters 1 and 1.5 of Part 10 of Division 1 of Title 1 of the California Education Code, commencing with Section 15264 (the "**Bond Law**"), (ii) resolutions of the Board of Education of the District (the "**Board of Education**") adopted on April 15, 2015, as amended on November 10, 2015, and on November 10, 2015 (the "**District Resolutions**"), and (iii) a resolution of the Board of Supervisors of the County (the "**Board of Supervisors**"), adopted on February 9, 2016, authorizing the issuance of the Series QRY Bonds on behalf of the District and certain related documents and actions (the "**County Resolution**" and together with the District Resolutions, the "**Resolutions**").

B. Upon the written acceptance of this Purchase Agreement by the County and the District, the Representative, on behalf of the Underwriters, shall deliver, within twenty-four (24) hours of such acceptance, by federal funds wire transfer (to the County's account at a bank having an office located in the State of California and having a demand account relationship with the County and payable in immediately available funds), for the account of the County, the amount of \_\_\_\_\_ Dollars (\$\_\_\_\_\_), as a good-faith deposit ("**Good Faith Deposit**") for the performance by the Underwriters of their obligations to accept and pay for the Bonds at Closing (as defined herein) in accordance with the provisions of this Purchase Agreement. Upon receipt, such amount shall be held by the County pending Closing (except as provided below), although the proceeds thereof may be invested by the County pending the Closing. At the Closing, the Underwriters shall pay or cause to be paid the Purchase Price of the Bonds, less the amount of such Good Faith Deposit, without accrued interest, and thereupon the County shall apply the amount of the Good Faith Deposit, to the payment of the balance of such Purchase Price. In the event of the County's inability to deliver the Bonds at the Closing, or if the County or the District is unable to satisfy the conditions to the Underwriters' obligations contained herein (unless such conditions are waived by the Underwriters), or if the Underwriters' obligations shall be terminated for any reason permitted hereby, the County shall forthwith return the amount of the Good Faith Deposit, without accrued interest, to the Representative immediately and, subject to Section 15 of this Purchase Agreement, such return shall constitute a full release and discharge of all claims by the Underwriters against the County and the District arising out of the transactions contemplated by this Purchase Agreement. In the event that the Underwriters fail (other than for a reason permitted hereby) to accept and pay for the Bonds at the Closing as herein provided, the proceeds of the Good Faith Deposit, shall be retained and applied by the County and the District in full and complete liquidated damages (and not as a penalty) for such failure and as a discharge of all damages suffered on the part of the County and the District as a result of such failure.

C. The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement, the Bond Law and the Resolutions. The Bonds shall be in definitive form, shall bear CUSIP numbers and shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company ("**DTC**").

3. **Use of Documents.** The District and the County (as appropriate) hereby authorize the Underwriters to use, in connection with the offer and sale of the Bonds, the Resolutions, this Purchase Agreement, a Preliminary Official Statement and an Official Statement (both as defined herein) and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriters in connection with the transactions contemplated by this Purchase Agreement.

4. **Public Offering of the Bonds.** The Underwriters agree to make a bona fide public offering of all the Bonds at the initial public offering prices or yields as set forth in Exhibit A hereto. Subsequent to such initial public offering, the Underwriters reserve the right to change

such initial public offering prices or yields as they deem necessary in connection with the marketing of the Bonds.

5. **Review of Official Statement.**

A. The Underwriters hereby represent that they have received and reviewed the official statement in preliminary form with respect to the Bonds, dated \_\_\_\_\_, 2016 (the “**Preliminary Official Statement**”). The District represents that it has deemed the Preliminary Official Statement to be final as of its date, except for either revisions to or additions of the initial public offering prices, interest rates, yields, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, ratings, credit enhancement and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (“**Rule 15c2-12**”).

B. The Underwriters agree that prior to the time the final official statement (the “**Official Statement**”) relating to the Bonds is available, the Underwriters will make available to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) or electronic copy posted on an accessible website not later than the next business day following the date upon which each such request is received.

C. The Underwriters agree to file the Official Statement with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system within one business day after receipt thereof from the District, but in no event later than the Closing Date (as defined below).

D. References herein to the Preliminary Official Statement and the Official Statement include the cover page through all appendices, exhibits, reports and statements included therein or attached thereto, as the same may be amended or supplemented from time to time.

6. **Closing.**

A. At \_\_\_\_ a.m., California Time, on \_\_\_\_\_, 2016, or at such other time or on such other date as shall have been mutually agreed upon by the parties hereto (the “**Closing**,” or the “**Closing Date**”), the District will direct U.S. Bank National Association, as agent to the Treasurer and Tax Collector of the County (the “**Treasurer**”), as paying agent for the Bonds (the “**Paying Agent**”) to deliver to the account of the Representative, through the facilities of DTC, or at such other place as the District and the Underwriters may mutually agree upon, the Bonds duly executed and in fully registered, book-entry form, and will cause the other documents hereinafter mentioned pertaining to the Bonds to be delivered at the offices of Hawkins Delafield &

Wood LLP, Bond Counsel to the District (“**Bond Counsel**”), in Los Angeles, California, or at such other place as shall have been mutually agreed upon by the parties hereto.

B. Upon fulfillment of all conditions to Closing herein, the Underwriters will accept such delivery and pay the Purchase Price thereof in immediately available funds (by check, wire transfer or such other manner of payment as the Representative and the Treasurer shall reasonably agree upon) to the order of the County and U.S. Bank National Association, as cost administrator, as provided by Section 1 hereof, less the Good Faith Deposit, as provided by Section 2 hereof.

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriters that:

A. The District is a unified school district validly existing under the laws of the State of California (the “**State**”), with the power to issue the Bonds pursuant to the Bond Law.

B. (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to execute and deliver this Purchase Agreement and the Continuing Disclosure Certificate (as defined below), to adopt the District Resolutions, to issue and to deliver the Bonds, and to perform its obligations under each such document or instrument (collectively, the “**District Documents**”), and to carry out and effectuate the transactions contemplated by the District Documents; (iii) the execution and delivery or adoption of, and the performance by the District of its obligations contained in, the Bonds and the other District Documents have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Purchase Agreement constitutes, and each of the Bonds, when issued, authenticated, delivered and sold to the Underwriters as provided herein, and each of the other District Documents, when duly executed and delivered, will constitute, a valid and legally binding obligation of the District, enforceable against the District in accordance with its terms; and (v) the District has duly authorized the consummation by it of all transactions contemplated by the District Documents.

C. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may reasonably request, or which have not been taken or obtained; *provided, however*, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

D. The District is not in breach of or in default under any applicable constitutional provision, law or administrative regulation of the State or the United States relating to the issuance of the Bonds or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute, in any manner which would adversely affect the transactions contemplated hereby, a default or event of default by the District under any of the foregoing.

E. The issuance of the Bonds, the adoption, execution, delivery and performance of the District Documents, and the compliance with the provisions of the District Documents do not conflict with or result in on the part of the District a violation or breach of, or default under, any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, where such conflict, violation, breach or default, individually or in the aggregate, shall result in a material adverse change to the District that materially and adversely affects the ability of the Underwriters to market the Bonds or enforce contracts of sale on the Bonds.

F. As of the time of acceptance hereof, except as provided in the Official Statement, no action, suit, proceeding, hearing or investigation is pending (in which service of process has been completed against the District) or, to the best knowledge of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or the titles of the officials of the District to such offices; (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the levy of any taxes contemplated by the District Resolutions, or in any way contesting or affecting the validity or enforceability of the Bonds or the other District Documents or contesting the powers of the District or its authority with respect to the Bonds or the other District Documents; (iii) contesting the completeness or accuracy of the Preliminary Official Statement; or (iv) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by the District Documents, (b) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes or the exemption of the interest paid on the Bonds from State personal income taxation.

G. Between the date hereof and the Closing, without the prior written consent of the Representative, the District will not have issued in the name of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

H. The Preliminary Official Statement was as of its date (excluding information permitted to be omitted pursuant to Rule 15c2-12), and the Official Statement is, and at all times subsequent to the date of the Official Statement (or in the case of any amendment to the Official Statement pursuant to Section 7. L. of this Purchase Agreement, at the date of the delivery of the Official Statement, as amended) up to and including the Closing will be, true and correct in all material respects, and the Preliminary Official Statement and the Official Statement contain, and up to and including the Closing will contain, no untrue statement of any material fact and do not, and up to and including the Closing will not, omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. At the time of the Closing, there shall not have been any material adverse changes in the financial condition of the District since the date of the Official Statement.

I. To assist the Underwriters in complying with Rule 15c2-12, the District will undertake, pursuant to the District Resolutions and the Continuing Disclosure Certificate dated the Closing Date (the “**Continuing Disclosure Certificate**”), to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will be set forth in the Official Statement. Except as disclosed in the Preliminary Official Statement, the District has not failed to comply in all material respects with any prior disclosure undertakings pursuant to Rule 15c2-12 in the last five years.

J. Any certificates signed by any officer of the District and delivered to the Underwriters shall be deemed a representation and warranty by the District to the Underwriters, but not by the person signing the same in such person’s individual capacity, as to the statements made therein.

K. Preparation and distribution of the Official Statement has been duly authorized by the District, and at the time of delivery of the Official Statement (or in the case of any amendment to the Official Statement pursuant to Section 7. L. of this Purchase Agreement, at the time of the delivery of the Official Statement, as amended) to the Underwriters and at all times subsequent thereto up to and including the Closing Date, the information contained therein (excluding the statements and information in APPENDIX C – “BOOK-ENTRY ONLY SYSTEM” and any information provided by the Underwriters in writing for inclusion in the Official Statement) will be true and correct in all material respects and such information will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

L. The District agrees that if at any time before the Closing any event occurs as a result of which the Official Statement as then in effect would include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, then the District shall promptly prepare or cause to be prepared and

furnish (at the expense of the District) an amendment or supplement to the Official Statement that will correct such statement or omission. The District will advise the Underwriters promptly of any proposal to so amend or supplement the Official Statement and will effect such amendment or supplement in a form and manner approved by the Underwriters.

M. The audited financial statements of the District for the fiscal year ended June 30, 2015 (selected information from which is included as APPENDIX A to the Official Statement) were prepared in accordance with generally accepted accounting principles consistently applied and fairly present the financial position and results of operation of the District for the period and at the date set forth therein, and there has been no material adverse change in the business, affairs, financial position, results of operations or condition, financial or otherwise, of the District since the date of such financial statements, except as otherwise disclosed in the Official Statement.

N. The District Resolutions have been duly adopted; except as the April 15, 2015 resolution was amended by the November 10, 2015 resolution, have not been modified, repealed or rescinded in any respect, and are in full force and effect.

8. **Representations, Warranties and Agreements of the County.** The County hereby represents, warrants and agrees with the Underwriters that:

A. The County has the power under the laws of the State to issue the Series QRY Bonds pursuant to the Bond Law.

B. C. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Series QRY Bonds or the consummation of the other transactions effected or

contemplated herein or hereby, except for such actions as may be necessary to qualify the Series QRY Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may reasonably request, or which have not been taken or obtained; *provided, however*, that the County shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

D. The County is not in breach of or default under any applicable constitutional provision, law or administrative regulation of the State or the United States or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the County is a party or to which the County or any of its property or assets is otherwise subject, which breach or default would materially adversely affect the County's ability to enter into or perform its obligations under this Agreement.

E. The issuance of the Series QRY Bonds, the adoption, execution, delivery and performance of the County Documents, and the compliance with the provisions of the County Documents do not conflict with or result in on the part of the County a violation or breach of, or default under, any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the County is a party or to which the County or any of its property or assets is otherwise subject, where such conflict, violation, breach or default, individually or in the aggregate, shall result in a material adverse change to the County that materially and adversely affects the ability of the Underwriters to market the Series QRY Bonds or enforce contracts of sale on the Series QRY Bonds.

F. As of the time of acceptance hereof, except as provided in the Official Statement, to the best knowledge of the County, no action, suit, proceeding, hearing or investigation is pending (in which service of process has been completed against the County) or threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or the titles of the officials of the County to such offices; (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Series QRY Bonds, the application of the proceeds of the sale of the Series QRY Bonds, or the levy of any taxes contemplated by the County Resolution, or in any way contesting or affecting the validity or enforceability of the Series QRY Bonds or the County Documents or contesting the powers of the County or its authority with respect to the Series QRY Bonds or the County Documents; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County or the consummation of the transactions contemplated by the County Documents or the Series QRY Bonds or (b) declare the County Documents or the Series QRY Bonds to be invalid or unenforceable in whole or in material part.

G. Between the date hereof and the Closing, without the prior written consent of the Underwriters, the County will not have issued in the name and on behalf of the

District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

H. Any certificates signed by any officer of the County and delivered to the Underwriters shall be deemed a representation and warranty by the County to the Underwriters, but not by the person signing the same in such person's individual capacity, as to the statements made therein.

9. **Covenants of the County and the District.** The County and the District respectively covenant and agree with the Underwriters that:

A. The County and the District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriters if and as the Underwriters may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions as the Underwriters may reasonably request; *provided, however*, that the District and the County shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof.

B. The District hereby agrees to deliver or cause to be delivered to the Underwriters, not later than the earlier of (i) the third (3rd) business day preceding the Closing Date or (ii) the seventh (7th) business day following the date this Purchase Agreement is signed, the Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriters, the County and the District, (a) in "designated electronic format" (as defined in Rule G-32 of the Municipal Securities Rulemaking Board), and (b) in printed form in such reasonable quantities as may be requested by the Underwriters in order to permit the Underwriters to comply with paragraph (b)(4) of Rule 15c2-12 and with the rules of the Municipal Securities Rulemaking Board.

C. The District hereby agrees to promptly notify the Underwriters of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is twenty-five (25) days following the Closing.

D. If at any time prior to the expiration of 25 days following the "end of the underwriting period" (as defined in Rule 15c2-12), any event known to the District or the County relating to or affecting the District, the County or the Bonds occurs which might cause the Official Statement to contain any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, the District or the County will promptly notify the Underwriters in writing of the circumstances and details of such event. If, as a result of such event or any other event, it is necessary, in the reasonable opinion of Orrick, Herrington & Sutcliffe LLP, Disclosure Counsel to the District ("**Disclosure Counsel**"), or the Underwriters, to amend or supplement the Official Statement so that the Official Statement does not contain any untrue statement of

a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and if either shall have so advised the District, the District will forthwith cooperate with the Underwriters in the prompt preparation and furnishing to the Underwriters, at the expense of the District, of a reasonable number of copies of an amendment of or a supplement to the Official Statement, in form and substance satisfactory to the Underwriters, which will so amend or supplement the Official Statement so that, as amended or supplemented, it will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. The District and the County will presume that unless otherwise notified in writing by the Representative, the end of the underwriting period will occur on the date of delivery of the Bonds.

E. To assist the Underwriters in complying with Rule 15c2-12 and for the benefit of the holders and beneficial owners of the Bonds, the District will undertake to provide annual reports and notices of certain events pursuant to the Continuing Disclosure Certificate.

10. **Representations, Warranties and Agreements of the Underwriters.** The Underwriters represent to and agree with the District and the County that, as of the date hereof and as of the date of Closing:

A. The Representative is duly authorized and has been duly authorized by the Underwriters, pursuant to an agreement among the Underwriters (the “AAU”), to execute this Purchase Agreement, to act hereunder on behalf of the Underwriters and to take all actions, and waive any condition or requirement, required or permitted to be taken or waived hereunder by the Representative or the Underwriters.

B. Based on representations in the AAU, the Underwriters have, and have had, no financial advisory relationship (as such term is defined in California Government Code Section 53590) with the District or the County with respect to the Bonds, and no investment firm controlling, controlled by or under common control with any of the Underwriters has or has had any such financial advisory relationship (as such term is defined in California Government Code Section 53590).

C. The Underwriters shall comply with all statutes, rules and regulations of all governmental entities in connection with the offering and sale of the Bonds.

11. **Division of Responsibility Between District and County.** It is specifically acknowledged and agreed by and between the District and the County that the County shall have no responsibility or liability to ensure or provide compliance with those provisions of this Purchase Agreement which are to be performed solely by the District and the District shall have no responsibility or liability to ensure or provide compliance with those provisions of this Purchase Agreement which are to be performed solely by the County.

12. **Underwriters Not Acting as Agents, Advisors or Fiduciaries.** The Underwriters hereby advise the District that they are not acting as agents, advisors or fiduciaries of the District or as financial advisors or municipal advisors (within the meaning of Section 15B of the Securities and Exchange Act of 1934) or fiduciaries of the District in connection with the matters contemplated by this Purchase Agreement. The District acknowledges and agrees that: (i) the purchase and sale of the Bonds pursuant to this Purchase Agreement is a negotiated arm's-length commercial transaction between the District and the Underwriters; (ii) the Underwriters are acting solely as principals in connection with the matters contemplated by and with respect to all communications under this Purchase Agreement and are not acting as the agents, advisors or fiduciaries of the District or as financial advisors or municipal advisors (within the meaning of Section 15B of the Securities and Exchange Act of 1934) or fiduciaries of the District in connection with the matters contemplated by this Purchase Agreement; and (iii) that each Underwriter is acting solely in its capacity as an underwriter for its own account. In connection with the purchase and sale of the Bonds, the District has consulted its own legal, financial and other advisors to the extent it has deemed appropriate.

13. **Conditions to Closing.** The Underwriters have entered into this Purchase Agreement in reliance upon the representations and warranties of the County and the District contained herein and the performance by the District and the County of their respective obligations hereunder, both as of the date hereof and as of the date of Closing. (ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended, or that the Resolutions are not exempt from qualification under the Trust Indenture Act of 1939, as amended;

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriters, makes untrue in any material adverse respect any statement or information set forth in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; or

(8) except as disclosed in or contemplated by the Official Statement, any material adverse change in the affairs of the District.

333 S. Beaudry Avenue, 26th Floor  
Los Angeles, California 90017

Ladies and Gentlemen:

The undersigned, \_\_\_\_\_ (the "Placement Agent"), offers to enter into the following agreement (this "Agreement") with the Los Angeles Unified School District (the "District"), which, upon acceptance by the District, will be binding upon the District and the Placement Agent.

Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Placement Agent and the District hereby agree as follows:

1. Appointment of Placement Agent; Placement of Bonds. (a) The District hereby appoints the Placement Agent to act as the exclusive placement agent for the District in connection with the private sale and issuance of the District's [Bond Issue] (the "Bonds"), and the Placement Agent hereby accepts such appointment. The Bonds shall be issued and secured pursuant to the provisions of [Applicable Law], a Resolution of the Board of Education of the District (the "Board of Education") adopted on [Bond Resolution Date] ("Resolution") [and a Resolution of the County of Los Angeles adopted on [County Resolution Date]] authorizing the issuance of not to exceed \$\_\_\_\_\_ of general obligation [refunding] bonds of the District. As compensation for the services of the Placement Agent hereunder, the District agrees to pay to the Placement Agent a fee in the amount of \$\_\_\_\_\_ by wire or immediately available funds upon the delivery of the Bonds. The fee set forth above does not include any services the Placement Agent may render in the future to the District with respect to any offering or placement of municipal securities other than the Bonds.

(b) The District will provide the purchaser of the Bonds (the "Purchaser") with the opportunity to ask questions and receive answers, and the District, will enter into a bond purchase agreement (the "Bond Purchase Agreement") with the Purchaser setting forth the terms and conditions of the sale and purchase of the Bonds. Copies of the reports and other documents that have been furnished to the Placement Agent by the District in connection with the proposed offer and sale of the Bonds are listed in Exhibit A hereto (it being understood that, prior to the consummation of any sale of the Bonds, Exhibit A may be supplemented from time to time as mutually agreed by the parties hereto).

(c) The District understands that the Placement Agent will be acting as the agent of the District in the offering and sale of the Bonds and agrees that, in connection therewith, the Placement Agent will use its “best efforts” to place the Bonds. This Agreement shall not give rise to any expressed or implied commitment by the Placement Agent to purchase or place any of the Bonds.

(d) [The District acknowledges and agrees that, in arranging for approved buyers to purchase the Bonds, the Placement Agent is not acting as the fiduciary of the District and has not assumed an advisory or fiduciary responsibility in favor of the District. In connection with such transaction, the District has consulted its own legal and financial advisors to the extent it deemed appropriate. The District agrees that it will not claim that the Placement Agent has rendered advisory services of any nature or respect, or owe a fiduciary or similar duty to the District in connection with such transaction or the process leading thereto. The Placement Agent is not acting as a municipal advisor as defined in Section 15B of the Securities Exchange Act of 1934, as amended, in connection with the matters contemplated by this Agreement.]

2. Covenants, Representations and Warranties of the District. The District represents, warrants and agrees as follows:

(a) the District is, and will be at the Closing Date (as defined herein), a duly organized, validly existing and operating school district pursuant to the laws of the State of California (the “State”) with full power and authority to observe and perform the covenants and agreements set forth in this Agreement;

(b) by official action of the District, prior to or concurrently with the acceptance hereof, the District (i) has duly adopted the Resolution authorizing and approving the execution and delivery of this Agreement, and the performance of its obligations contained herein, and (ii) the Resolution is in full force and effect and has not been amended or supplemented as of the date hereof;

(c) the execution and delivery of this Agreement and compliance with the provisions on the District’s part contained therein do not and will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, statute, indenture, mortgage, deed of trust, bond, note, resolution, agreement or other instrument to which the District is a party or by which the District is bound; and

(d) any certificate signed by an authorized officer of the District and delivered to the Placement Agent shall be deemed a representation and warranty by the District in connection with this Agreement to the Placement Agent as to the statements made therein for the purposes for which such statements are made.

3. Payment and Delivery of Bonds. The Bonds shall be dated the date of delivery, shall bear interest at the rate(s), shall be payable on the dates, shall mature on the date(s) and shall be subject to redemption prior to their maturity all as set forth in the Bond Purchase Agreement. The Placement Agent will have no obligation to conduct any independent evaluation or appraisal of the assets or the liabilities of the District or any other party or to advise or opine on related solvency issues. Nothing in this Agreement is intended to confer upon any other person (including creditors, employees or other constituencies of the District) any rights or remedies hereunder or by reason hereof.

Re: Los Angeles Unified School District (Los Angeles County, California),  
Election of 20\_\_, [Series L (2016), Series M (2016), and Series A (2016)]

Ladies and Gentlemen:

The undersigned (the “Purchaser”) understands that the County of Los Angeles, California (the “County”), on behalf of the Los Angeles Unified School District (the “District”), has, pursuant to a Resolution adopted by the Board of Education of the District on \_\_\_\_\_, 2015 (the “District Resolution”) and a Resolution adopted by the Board of Supervisors of the County of Los Angeles on \_\_\_\_\_, 2016 (the “County Resolution,” and together with the District Resolution, the “Resolutions”), issued the Los Angeles Unified School District (County of Los Angeles, California) General Obligation Bonds, Election of 20\_\_. Series \_\_, in the aggregate principal amount of \$\_\_\_\_\_. The Purchaser intends to purchase certain of said bonds (for purposes of this Investor Letter, the “Bonds”). In connection with such purchase of the Bonds, the Purchaser makes the certifications, representations, warranties, acknowledgements and covenants contained in this Investor Letter to each of the addressees hereof, with the express understanding that such certifications, representations, warranties, acknowledgements and covenants will be relied upon by such addressees. Capitalized undefined terms used herein shall have the meanings ascribed thereto in the Resolutions.

The Purchaser hereby certifies, represents, warrants, acknowledges and covenants as follows:

(a) The Purchaser is duly organized, validly existing and in good standing under the laws of the jurisdiction in which it was incorporated or formed and is authorized to invest in the

Bonds being purchased hereby. The person executing this letter on behalf of the Purchaser is duly authorized to do so on the Purchaser's behalf.

(b) The Purchaser (MARK APPROPRIATELY):

\_\_\_\_\_ is a "qualified institutional buyer" (a "Qualified Institutional Buyer") within the meaning of Rule 144A promulgated under the Securities Act of 1933, as amended (the "Securities Act"), or

\_\_\_\_\_ is an "accredited investor" (an "Institutional Accredited Investor") as defined in Section 501(a)(1), (2), (3) or (7) of Regulation D promulgated under the Securities Act.

(c) The Purchaser is not purchasing the Bonds for more than one account, is purchasing the Bonds for investment purposes and is not purchasing the Bonds with a view to distributing the Bonds.

(d) The Purchaser has sufficient knowledge and experience in financial and business matters, including the purchase and ownership of municipal bonds and other [tax-exempt] obligations similar to the Bonds, to be capable of evaluating the merits and risks of an investment in the Bonds, and the Purchaser is able to bear the economic risks of such an investment.

(e) The Purchaser recognizes that an investment in the Bonds involves significant risks, that there is no established market for the Bonds and that none is likely to develop and, accordingly, that the Purchaser must bear the economic risk of an investment in the Bonds for an indefinite period of time.

(f) The Purchaser understands and agrees that ownership of a Bond may be transferred (i) only to a Person that is either (A) a Qualified Institutional Buyer that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond, or (B) an Institutional Accredited Investor that is purchasing such Bond for not more than one account for investment purposes and not with a view to distributing such Bond, and (ii) only if such Qualified Institutional Buyer or Institutional Accredited Investor delivers to the District and the Paying Agent a completed and duly executed Investor Letter substantially in the form attached to the County Resolution as Exhibit E.

(g) The Purchaser understands and agrees that it may transfer all or any part of the Bonds only to an institution that the Purchaser reasonably believes is either (i) a Qualified Institutional Buyer that is purchasing such Bonds for not more than one account for investment purposes and not with a view to distributing such Bonds, or (ii) an Institutional Accredited Investor that is purchasing such Bonds for not more than one account for investment purposes and not with a view to distributing such Bonds.

(h) The Purchaser is not relying upon the District, the County, the Paying Agent, or any of their respective affiliates or employees, for advice as to the merits and risks of investment in the Bonds. The Purchaser has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision.

(i) The Purchaser has conducted its own independent examination of, and has had an opportunity to ask questions and receive answers concerning, the District, the Paying Agent, the Resolutions, the Bonds and the security therefor and the transactions and documents related to or contemplated by the foregoing.

(j) The Purchaser has been furnished with all documents and information regarding the District, the Paying Agent, the Resolutions, the Bonds and the security therefor and the transactions and documents related to or contemplated by the foregoing, and all matters related thereto, that it has requested.

(k) The Purchaser understands and agrees that the offering and sale of the Bonds are exempt from Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, pursuant to Section (d) of said Rule.

(l) The undersigned is the chief financial officer, a person fulfilling an equivalent function or other authorized executive officer of the Purchaser.

The Purchaser hereby agrees to be bound by the provisions of Section 14 of the County Resolution.

IN WITNESS WHEREOF, the Purchaser has executed this Investor Letter as of the date set forth below.

Very truly yours,

## LOS ANGELES UNIFIED SCHOOL DISTRICT

### Board of Education Report

#### **Background:**

This Board Report seeks Board approval of the Resolution. The Resolution authorizes the issuance of new money Bonds in a total amount not-to-exceed \$900 million and the forms of transaction documents necessary to issue the Bonds. The Bonds will be issued pursuant to authorizations from Measure R, Measure Y and/or Measure Q or any combination thereof. Any proceeds of the Bonds must be spent only on projects eligible under the respective Measure. All projects are subject to inclusion in Board-approved strategic execution plans.

The Resolution pledges all voter approved property tax revenues levied for the payment of the Bonds issued pursuant to this Resolution and all previously issued and outstanding District general obligation bonds. This provision may enhance the security for the District's Bonds in conjunction with SB222. SB 222 was recently passed by the California Legislature and will be effective on January 1, 2016. The Resolution amends the Refunding Resolution approved by the Board in April 2015 to provide for the same pledge as described above for the Refunding Bonds and provides for a potential tender and purchase or exchange of refunded bonds which will generate taxpayer savings.

The Resolution authorizes the sale of the Bonds on a negotiated basis and authorizes the Chief Financial Officer and Controller to carry out all necessary acts to complete the transaction. The negotiated method of sale is recommended based on the expected large size of the bond sale as well as the large size of individual maturities. Also, the negotiated method of sale provides the District with flexibility to structure the Bonds to meet investor demand and to implement a thorough pre-marketing plan with investors to achieve a low cost of funds.

In compliance with AB 1482, which became effective January 1, 2007, the Board Report publically identifies the names of the Financial Advisor, Bond Counsel, Disclosure Counsel, and Underwriter(s), provides a detailed, estimated costs of issuance (enclosed as Attachment B) and identifies the rationale and method of sale. The proposed members of the financing team were all selected from the District's current financial advisor bench, legal counsel bench and underwriting bench in accordance with the Debt Management Policy.

**Expected Outcomes:** Approval of the Resolution will enable the District to: i) issue general obligation bonds to finance identified capital projects; ii) pledge tax revenues described above to both new money and Refunding Bonds and all previously issued and outstanding District general obligation bonds to

## LOS ANGELES UNIFIED SCHOOL DISTRICT

### Board of Education Report

potentially strengthen the security for the District's general obligation bonds; and iii) tender and purchase or exchange a portion of its outstanding bonds to generate taxpayer savings.

**Board Options and Consequences:**

Should the Board not approve this item, staff will not be authorized to proceed with the issuance of the Bonds to finance identified capital projects.

**Policy Implications:**

This action is in compliance with the relevant criteria set forth in Article 1 and Sections 3.02, 4.08 and 4.12 of the Debt Management Policy.

**Budget Impact:**

No impact on the District's General Fund. Debt service on the Bonds will be supported by *ad valorem* property tax levies paid by District taxpayers and not by the District's General Fund.

**Issues and Analysis:**

This Board Report seeks Board approval of a resolution for issuance of general obligation bonds in an amount not-to-exceed \$900 million, the appointment of the financial advisor and bond, tax and disclosure counsels and underwriters for the Bonds, and the forms of documents related to such Bonds. Approval of this Board report will allow the Bonds to be issued and ensure the ongoing funding of Bond Program projects.

**SECTION 5. Terms of Bonds.**

(a) **Terms of Bonds; Date of Bonds.** The Bonds shall be issued as set forth in the County Resolution. Each Bond shall be dated its date of delivery, or such other date and shall have such other terms and provisions as shall be set forth in the Bond Purchase Agreement relating to such series or subseries of Bonds.

All other series of Bonds shall be issued in denominations of \$5,000 principal amount or any integral multiple thereof.

(e) **Security for the Bonds.** The obligation to pay principal, premium, if any, and interest on the Bonds is a statutory obligation of the District, payable as described in the Bond Purchase Agreement. The District hereby requests the Board of Supervisors of the County to annually levy a tax upon all taxable property in the District sufficient to pay the principal and

premium, if any, and interest on the Bonds of each Measure as and when the same become due. Principal and interest, if any, due on the Bonds shall be paid from the respective Interest and Sinking Fund of the District for the related series or subseries of Bonds under each Measure as provided in Section 15146 of the Education Code. The tax levied for each Measure is levied specifically for the purpose of paying each Series of Bonds issued to finance the projects specified in such Measure and for no other purpose.

In accordance with Section 15251 of the Education Code, each Series of Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the applicable Measure. The lien shall automatically attach without further action or authorization by the District or the County. The lien shall be valid and binding from the time such Series of Bonds are executed and delivered. The revenues received pursuant to the levy and collection of the tax shall be immediately subject to the lien, and the lien shall automatically attach to the revenues and be effective, binding, and enforceable against the District, its successors, transferees, and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

The District hereby pledges all revenues from the property taxes collected from the levy by the Board of Supervisors and amounts on deposit in the Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on the related Series of Bonds for each respective Measure and all previously issued and outstanding general obligation bonds and general obligation refunding bonds of the District, including those issued pursuant to authorizations approved by voters of the District on April 8, 1997, November 5, 2002, March 2, 2004, November 8, 2005 and November 4, 2008. This pledge shall be valid and binding from the date hereof for the benefit of the owners of such Series of Bonds and each issue of outstanding general obligation bonds and general obligation refunding bonds and successors thereto. The property taxes and amounts held in each Interest and Sinking Fund of the District shall be immediately subject to this pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of the respective Series of Bonds and each issue of outstanding general obligation bonds and general obligation refunding bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. This pledge is an agreement between the District and the owners of each Series of Bonds and each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for the related issue of general obligation bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds of the District are or were issued to finance one or more of the projects specified in the applicable bond Measure and not to finance the general purposes of the District.

(f) Designation of Paying Agent. The County Treasurer is designated to act as the initial Paying Agent. The County Treasurer is authorized to enter into a contract with a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$100,000,000 in net assets, to perform the services of the Paying Agent. If at any time the County Treasurer shall resign or be removed as the Paying Agent, the Authorized

Officers are authorized with the prior consent of the County Treasurer to appoint any successor Paying Agent. If no successor Paying Agent is appointed by an Authorized Officer in a timely manner, the County Treasurer shall appoint a successor Paying Agent without further action by any Authorized Officer. The successor Paying Agent shall be a bank or trust company doing business in and having a corporate trust office in the County, with at least \$100,000,000 in net assets.

**SECTION 6. Redemption.** The Bonds of each series or subseries shall be subject to redemption on the dates and terms as shall be designated in the Bond Purchase Agreement relating to such Bonds. If the Bonds of a series or subseries shall be subject to optional redemption and less than all of the Bonds of such series or subseries are called for such redemption, such Bonds shall be redeemed in inverse order of maturities of such series or as otherwise directed by the District, and if less than all of the Bonds of any given maturity of a series or subseries bearing the same interest rate are called for redemption, the portions of such Bonds to be redeemed shall be determined by lot. With respect to Bonds, if any, designated as "Term Bonds" in the related Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately or as otherwise determined by the District by the amount of any Bonds of that maturity optionally redeemed prior to the mandatory sinking fund payment date and allocated by the District to such sinking fund payment or as otherwise provided for in the Bond Purchase Agreement. The principal amount of each mandatory sinking fund payment of any maturity of a series of Bonds shall be reduced proportionately by the amount of any Bonds of that maturity and series optionally redeemed prior to the mandatory sinking fund payment date or as otherwise provided for in the Bond Purchase Agreement.

**SECTION 7. Sale of the Bonds.** This Board of Education deems it necessary and desirable and requests the County to authorize and provide for the sale of each series of Bonds by a negotiated sale pursuant to one or more Bond Purchase Agreements to be entered into with (i) one or more Underwriters selected as herein provided or (ii) one or more Direct Purchasers, or any combination thereof, as shall be determined by the Chief Financial Officer to be in best interest of the District considering, among other factors, the timing of each sale, expected interest cost, debt structure flexibility and the ability to work with Underwriters or Placement Agents, as applicable, familiar with the District, and consistent with the District's Debt Management Policy then in effect (the "Debt Management Policy"); provided, however, that, in each case, (1) the interest rate on any Bond shall not be in excess of 8.00% per annum, (2) the true interest cost for each applicable series of Bonds shall not be in excess of 8.00%, (3) the underwriters' or placement agents' compensation, as applicable, shall not exceed 1.00% and 1.00%, respectively, of the principal amount of the corresponding series of Bonds, and (4) if a sale of a series of Bonds is to one or more Direct Purchasers, the purchasers' discount or commitment fee shall not be in excess of 1.00% of the principal amount of the corresponding series of Bonds.

**SECTION 8. Bond Purchase Agreement.** The form of Bond Purchase Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Bond Purchase Agreements in the form presented to this meeting with such changes, insertions and omissions as the Authorized Officer executing the same may require or

approve, including such changes, insertions and omissions as are necessary to reflect that a sale of a series of Bonds is to one or more Direct Purchasers rather than to one or more Underwriters, such requirement or approval to be conclusively evidenced by the execution of the applicable Bond Purchase Agreement by such Authorized Officer; provided that the terms of the applicable series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. In connection with each negotiated sale of a series of Bonds to one or more Underwriters or one or more District Purchasers, such Underwriters of such Bonds or one or more Placement Agents for such Bonds, as applicable, shall be selected in accordance with the Debt Management Policy. In connection with each negotiated sale of Bonds, the Chief Financial Officer is hereby further authorized to designate which Underwriters shall act as senior manager(s), co-senior manager(s) and co-manager(s) in accordance with the Debt Management Policy.

**SECTION 9. Placement Agent Agreement.** The form of Placement Agent Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Placement Agent Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Placement Agent Agreement by such Authorized Officer; provided that the terms of the applicable series of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution.

**SECTION 10. Costs of Issuance.** In accordance with Section 15146(b)(4) of the State Education Code, the costs associated with the issuance of the Bonds, as applicable, including the estimated underwriters' and placement agents' compensation and commitment fees to be paid to Direct Purchasers, have been estimated to be \$1.875 million. The actual costs of issuance shall be presented to this Board of Education at its next scheduled public meeting following the sale of the Bonds.

**SECTION 11. Authorization of Preliminary Official Statement and Official Statements.**

(a) **Preliminary Official Statement.** The form of the Preliminary Official Statement relating to the Bonds submitted to and on file with the Executive Officer of this Board of Education, with such changes as any Authorized Officer acting singly may approve, are hereby approved. The Financial Advisor (defined below), or the Underwriters, as the case may be, are hereby authorized and directed to deliver copies of such Preliminary Official Statement in final form to persons who may be interested in purchasing the Bonds. Each Authorized Officer, acting singly, is hereby authorized to certify on behalf of the District, that the Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).

(b) **Official Statement.** An Official Statement in substantially the form of the Preliminary Official Statement (the "Official Statement"), with such changes as each Authorized

Officer, acting singly, may approve (including all information previously permitted to have been omitted by Rule 15c2-12), which approval shall be conclusively evidenced by execution by such Authorized Officer of the Official Statement and delivery thereof to the original purchasers of the Bonds within 7 business days of the sale of the Bonds, is hereby approved. Any Authorized Officer is hereby authorized and directed to execute such Official Statement with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

## **SECTION 12. Deposit and Investment of Proceeds.**

(a) The proceeds of sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District (the "Building Fund"). The District shall have sole responsibility that such proceeds be used for the purpose for which the Bonds are being issued. Any premium and accrued interest received shall be deposited in the Interest and Sinking Fund within the County treasury.

(b) All funds held by the County Treasurer hereunder on behalf of the District shall be invested by the County Treasurer or its agent in the County Investment Pool, the Local Agency Investment Fund, any investment authorized pursuant to Sections 53601 and 53635 of the State Government Code, or in any Investment Agreement; provided that such agreements comply with the requirements of Section 148 of the Code, to the extent applicable to the related series or subseries of Bonds, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds.

Subject to a determination by the Chief Financial Officer, any Authorized Officer may request the County Treasurer to invest funds held in the Interest and Sinking Fund of the District and in the Building Fund of the District in specific Investment Agreements. Pursuant to Section 5922 of the Government Code, this Board of Education hereby finds and determines that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds. Subject to a determination by the Chief Financial Officer, any Authorized Officer may request the County Treasurer to deposit any investment of all or any portion of the Building Fund or any Interest and Sinking Fund of the District pursuant to California Education Code Section 41015 in accordance with the instructions of the Authorized Officer and California Education Code Section 41016.

(c) Any excess proceeds of the Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Interest and Sinking Fund and applied to the payment of principal of, premium, if any, and interest on the Bonds; provided, however, that when all of the principal of and interest on all of the Bonds have been paid, any balance then remaining in said fund shall be transferred to the general fund of the District as permitted and provided for in Section 15234 of the Education Code.

### **SECTION 13. Tax Covenants.**

(a) General. The District shall not take any action, or fail to take any action, or permit any action to be taken on its behalf or cause or permit any circumstances within its control to arise or continue, if such action or inaction would adversely affect the exclusion from gross income of the interest payable on the Tax-Exempt Bonds under Section 103 of the Code. In furtherance of the foregoing, the District shall comply with the provisions of the respective tax certificates to be executed and delivered by the District in connection with the issuance of the Bonds comprising Tax-Exempt Bonds (each, a "Tax Certificate").

(b) Yield Restriction. In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the County Treasurer or any other party on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the County Treasurer or such other party in writing, and the District shall make its best efforts to ensure that the County Treasurer or such other party shall take such action as may be necessary in accordance with such instructions.

(c) Reliance on Opinion of Tax Counsel. Notwithstanding any provision of this Section, if the District shall provide to the County Treasurer an Opinion of Tax Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Bonds, the County Treasurer may conclusively rely on such opinion in complying with the requirements of this Section and of the applicable Tax Certificate and the covenants hereunder shall be deemed to be modified to that extent.

**SECTION 14. Continuing Disclosure Certificate.** The form of Continuing Disclosure Certificate submitted to and on file with the Executive Officer of this Board of Education is hereby approved. Any Authorized Officer is hereby authorized on behalf of the District to execute one or more Continuing Disclosure Certificates with respect to the Bonds in substantially the form on file with the Board of Education, with such changes thereto as deemed necessary in order to permit the original purchasers of the Bonds to comply with the requirements of Rule 15c2-12. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of each Continuing Disclosure Certificate.

**SECTION 15. Amendment to Refunding Resolution.** (a) Section 13(a) of the Refunding Resolution is hereby amended by the addition of the following at the end of such Section:

The District hereby pledges all revenues from the property taxes collected from the levy by the Board of Supervisors and amounts on deposit in the Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on the related Series of Refunding Bonds, including those related to the authorizations approved by voters of the District on April 8, 1997, November 5, 2002, March 2, 2004, November 8, 2005 and November 4, 2008. This pledge shall be valid and binding from the date hereof for the benefit of the owners of such Series of Refunding Bonds and successors thereto. The property taxes and amounts held in the Interest and Sinking Fund of the

District shall be immediately subject to this pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of such Series of Refunding Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act.

The pledge is an agreement between the District and the Owners of each Series of Refunding Bonds to provide security for the related Series of Refunding Bonds in addition to any statutory lien that may exist, and each Series of Refunding Bonds secured by the pledge are or were issued to refinance one or more of the projects specified in the Measure BB Authorization, the Measure K Authorization, the Measure R Authorization, the Measure Y Authorization and for outstanding Prior Refunding Bonds, as applicable and not to finance the general purposes of the District.

(b) Section 6 of the Refunding Resolution is hereby amended by the addition of the following language at the end of such Section:

In addition, any one of the Authorized Officers is hereby authorized from time to time to execute and deliver in the name of the District one or more tender agreements (each, a "Tender Agreement") with one or more owners of Refunded Bonds providing for the tender and purchase or exchange of Refunded Bonds as the Authorized Officers shall determine to be in the best interest of the District.

**SECTION 16. Professional Services.** In connection with the issuance of the Bonds, Public Resources Advisory Group is hereby appointed to serve as the Financial Advisor to the District, Hawkins Delafield & Wood LLP is hereby appointed to serve as Bond Counsel and Tax Counsel to the District, and Orrick Herrington & Sutcliffe LLP is hereby appointed to serve as Disclosure Counsel to the District, and the Chief Financial Officer is hereby authorized to enter into work orders for such services with such firms.

**SECTION 17. Delegation of Authority.** Each Authorized Officer is hereby authorized and directed to, or to authorize in writing any officer or employee of the District to, execute and deliver, for and on behalf of the District, any and all documents and instruments and to do and cause to be done any and all acts and things necessary or advisable in order to consummate the transactions contemplated by this Resolution and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution.

**SECTION 18. Approval of Actions; Further Actions.** The President of this Board of Education, the Executive Officer of this Board of Education and any Authorized Officer are hereby authorized and directed to execute and deliver any and all agreements, certificates and representations, including but not limited to (i) signature certificates, no litigation certificates, and certificates concerning the contents of the Preliminary Official Statement and the Official Statement, (ii) representation letters to The Depository Trust Company, (iii) each Tax Certificate, (iv) any other certificates proposed to be delivered in connection with the sale or issuance of the Bonds, (v) any Investment Agreements entered into pursuant to the authority granted hereunder,

and (vi) and any other agreements, letters, certificates or representations, which any of them deem necessary and desirable to accomplish the transactions authorized herein. All actions heretofore taken by the officers and agents of this Board with respect to the Bonds are hereby approved, confirmed and ratified. The Authorized Officers shall be and each of them is hereby authorized, empowered and directed to execute and deliver such other documents and take such other actions as they deem necessary or advisable to carry out and perform the purposes of this Resolution, the Bond Purchase Agreement, the Placement Agent Agreement and the Continuing Disclosure Certificate.

**SECTION 19. Notice of Adoption of Resolution.** The Chief Financial Officer is hereby authorized and directed to cause to be published as promptly as practicable following adoption of this Resolution in a newspaper of general circulation in the District, as described in Section 6000 of the Government Code, a notice setting forth the purpose for which the Bonds are authorized to be issued, as shown in Section 3 hereof.
